Procedure for Hearing of Submissions

5. This letter sets out matters relating to the hearing. Further detail is available in Panel Minute 1: [Procedures for Hearing of Submissions](#).

Pre-Circulation of Evidence

6. The Hearing Panel requires the Council to provide its Section 42A Report and any other Council evidence at least 20 working days prior to the hearing.
7. Submitters and further submitters are required to provide all **expert evidence** to the Hearings Administrator **at least 10 working days before** the hearing. An expert is a professional such as a planner, traffic engineer or similar. Submitters may provide non-expert evidence (ie personal submissions) at the hearing. The required delivery dates for evidence are set out at the start of this letter.
8. Providers of expert evidence are referred to paragraphs 56 to 64, and 68 to 69 of Panel Minute 1: Procedures for Hearing of Submissions. The evidence should clearly outline any changes in Plan wording proposed (along with the rationale for these changes) together with an assessment pursuant to S32AA of the RMA.
9. When a submitter speaks to their submission only (i.e. is not giving expert evidence), this is considered **lay evidence**. Submitters can present written lay evidence on the day of the hearing and read it aloud. It is not required to be pre-circulated. However, it would be of benefit to the Hearing Panel and other parties if any lay evidence is pre-circulated and able to be read before the hearing. Submitters need to bring ten (10) copies of any written material to the hearing and supply an electronic copy to the Hearings Administrator within two (2) working days of completing their presentation.
10. Where a submitter or their representative is unable to attend the hearing for a particular topic, and are not supplying expert evidence, they may choose to table written lay evidence in support of their submission. Submitters must provide any tabled evidence to the Hearings Administrator at least 5 working days prior to the hearing on the topic commencing.
11. All evidence is expected to be provided electronically. Evidence can be sent to the Hearings Administrator alicia-kate.taihia@fndc.govt.nz.
12. The Hearing Administrator will email the hearing parties to advise when new material is on the Council's website.
13. If you have any additional written material to present at the hearing, please bring ten (10) copies to the hearing and supply an electronic copy to the Hearings Administrator within two (2) working days of completing your presentation. The Hearing Commissioners have received a copy of all submissions. You do not need to provide additional copies.
