FS147.1	Russell Landcare Trust	S276.013	Ecosystems and indigenous biodiversity	Policies	Insert policy to ban cats and dogs from 'new subdivisions' in high density kiwi areas (as per the Council's practice note) and from other areas with threatened species where cats and/or dogs are a significant threat (e.g. some shore bird areas).	Oppose	Disallow	I don't want dogs banned from the Opuia Track, there are already so few places to walk dogs in this region, I don't want to lose yet another one. If there are concerns regarding Kiwi birds, the area could be turned into an on leash area.
