

Far North District Council

Electing the Mayor

Jaqi BROWN

My principal place of residence is in the Far North District Council area.

Tēnā koutou katoa, Hello, Zdravo!

He uri ahau o ngā iwi o Te Taitokerau. I descend from the many tribes of Te Taitokerau, with Croatian/English heritage, raised in the Far North.

Hence my passionate, hard-working, loyal and caring nature. Standing to be YOUR Mayor has been my goal for many years, and I've built sound knowledge across governance, community, education, business, local government. Leading local, regional and national initiatives, uniting people to stand things up and finding sensible solutions in crisis and calm are key strengths. Basically, I get stuff done.

Ensuring our Community Voice is HEARD at the council table, being place, people and planet positive by promoting and strengthening our unique region is essential.

Kua tae te wā - the time has come for a fresh perspective, big heart and can-do attitude.
