Kia ora Alicia-Kate,

At the Hearing on the Noise chapter of the Proposed Plan, the Panel asked KiwiRail for maps showing the KiwiRail designation as well as the Pou Herenga Tai – Twin Coast Cycle Trail where it is located near and within the rail corridor. In subsequent discussions between the Council experts and KiwiRail's experts, marae locations near the railway corridor were also discussed with a map of locations provided by the Council experts.

Please find **attached** maps showing the KiwiRail designated railway corridor, Pou Herenga Tai and marae locations in proximity to the railway corridor.

As was discussed at the hearing, while Pou Herenga Tai is currently located near and within the rail corridor, the trail located on KiwiRail's land is the subject of a property agreement with KiwiRail. As is standard with arrangements for third party use of railway land, the agreement provides for the occupation of the cycle trail to be terminated upon notice by KiwiRail in the event the land is required for rail purposes.

We'd be grateful if you could please provide this email and the attached maps to the Panel.

Kind regards  
Kristen
