**My submission is:**

*(Include details and reasons for your position)*

Whole heartedly support the introduction of this rule into zones other than the Rural Production Zone. However, the separation distance is too restrictive and should be extended to 30m. This provides space for shared landscaping and gardening and for shared parking and manoeuvring areas. Also the minimum sized property required by PER-2 is too large when considering the likely size of lots in the zone.

**I seek the following decision from the Council:**

*(Give precise details. If seeking amendments, how would you like to see the provision amended?)*

Amend RLZ-R11 PER-4 to read:

The separation distance between the minor residential unit and the principal residential unit does not exceed 30m.

Amend PER-2 to read:

"The site area per minor residential unit is at least 5000m<sup>2</sup>."
