## Want to get out on the water? We've got you covered.

Far North District Council maintains 28 boat ramps and jetties around the district, providing residents and visitors year-round access to our beautiful harbours and bays. The map below shows the location of each

boat ramp and some of our jetties. You can find a full list of these facilities on our website. Go to [www.fndc.govt.nz](http://www.fndc.govt.nz) and search for 'Maritime facilities'. Our website details amenities at each
