### 1.0 Executive Summary

This application for a Certificate of Compliance (COC) relates to locating two single-storey buildings at 142 Broadway, Kaikohe to provide additional office and amenity space for the Kaikohe Police Station.

It is noted that there are existing buildings located along the site frontage with vehicular access from 138 Broadway, Kaikohe (Designation NZP46, Minister of Police). These existing features remain unchanged.

The proposed use is considered to be a permitted activity within the Far North District Plan's ('the FNDP') Commercial Zone.

### 3.0 Description of the Existing Environment

#### 3.1. Subject Site

The 'subject site' is 142 Broadway, Kaikohe. The site is subject to a Gazette Notice (Statutory Action reference New Zealand Gazette 1993 p 1031). Refer to **Appendix A** for a copy of the New Zealand Gazette.

The site is located with frontage to Broadway to the south. The rectangular shaped site is flat.

The site is owned and used by the Ministry of Police. The site layout is depicted in **Figure 1** above. The site features two single-storey buildings interconnected by a central hallway; one which aligns the frontage and the other to the rear. Two accessory buildings are located within the rear including an office and a shed. Apart from the shed, all other buildings remain unchanged.

The balance of the site comprises of grassed areas, parking and access which will also remain unchanged. There are no hydrological features on the site.

### 3.2. Site Planning Controls

The underlying zoning of the subject site is the Commercial zone as depicted in **Figure 2** below. Under the Commercial zone the demolition of existing shed is a permitted activity.

Figure 2: Zoning (commercial zone - pink) and pedestrian frontage overlay (red)

The site is also subject to the pedestrian frontage overlay as shown in **Figure 2** above. The existing Kaikohe Police Station building is built up to and aligns the road boundary for the full frontage. As noted, the building within the pedestrian frontage remains unchanged.

The subject site's northern and eastern boundary adjoin Designation NZP46 (Minister of Police) which also forms part of the Kaikohe Police Station.

#### 3.2.1. Proposed Far North District Plan

The Far North District Council ('**the Council**') initiated a review of the FNDP. The Council formally notified a Proposed District Plan ('**PDP**') in 2022 and is currently within the hearings process for the PDP.

A submission on behalf of the Minister Police sought a rollover of it's designation with amendments to update the legal description and street addresses of their designations. In respect of this, the Minister of Police sought a modification to include both, the subject site

(B) and existing designated area (A) within the designation boundaries as shown in **Figure 3** below. Properties A and B form part of the Kaikohe Police Station. There were no submissions received on the Minister of Police designation.

*Figure 3: The subject site (B) and current designated area (A) under the designation*

As part of the Section 42A Report for Designations, the Council has recommended that the designation include properties A and B under the PDP.

The Council will give notices of its decision on the PDP based on recommendations of the hearing panel in 2026. Although it is recommended and anticipated that the designation include the subject site, this does not have legal effect.

### 3.3. Surrounding Environment

The site and neighbouring properties along Broadway are zoned as Commercial as shown in **Figure 2** above. Subsequent properties beyond the alignment of Commercial zoning are zoned as predominantly Residential with an Industrial zoned lot directly northwest of the subject site.

As noted, the subject site and neighbouring property to the northeast form part of the Kaikohe Police Station. The western boundary adjoins two parcels accommodating New Zealand Post, Kiwibank, Kaikohe Machinery and a storage facility.

## 4.0 Description of the Proposal

This application for a COC relates to the proposed removal of the shed to enable the placement of two single-storey relocatable buildings northwest of the existing Kaikohe Police Station. Apart from the shed, all other on-sites features remain unchanged such as the existing buildings, vehicle access and parking.

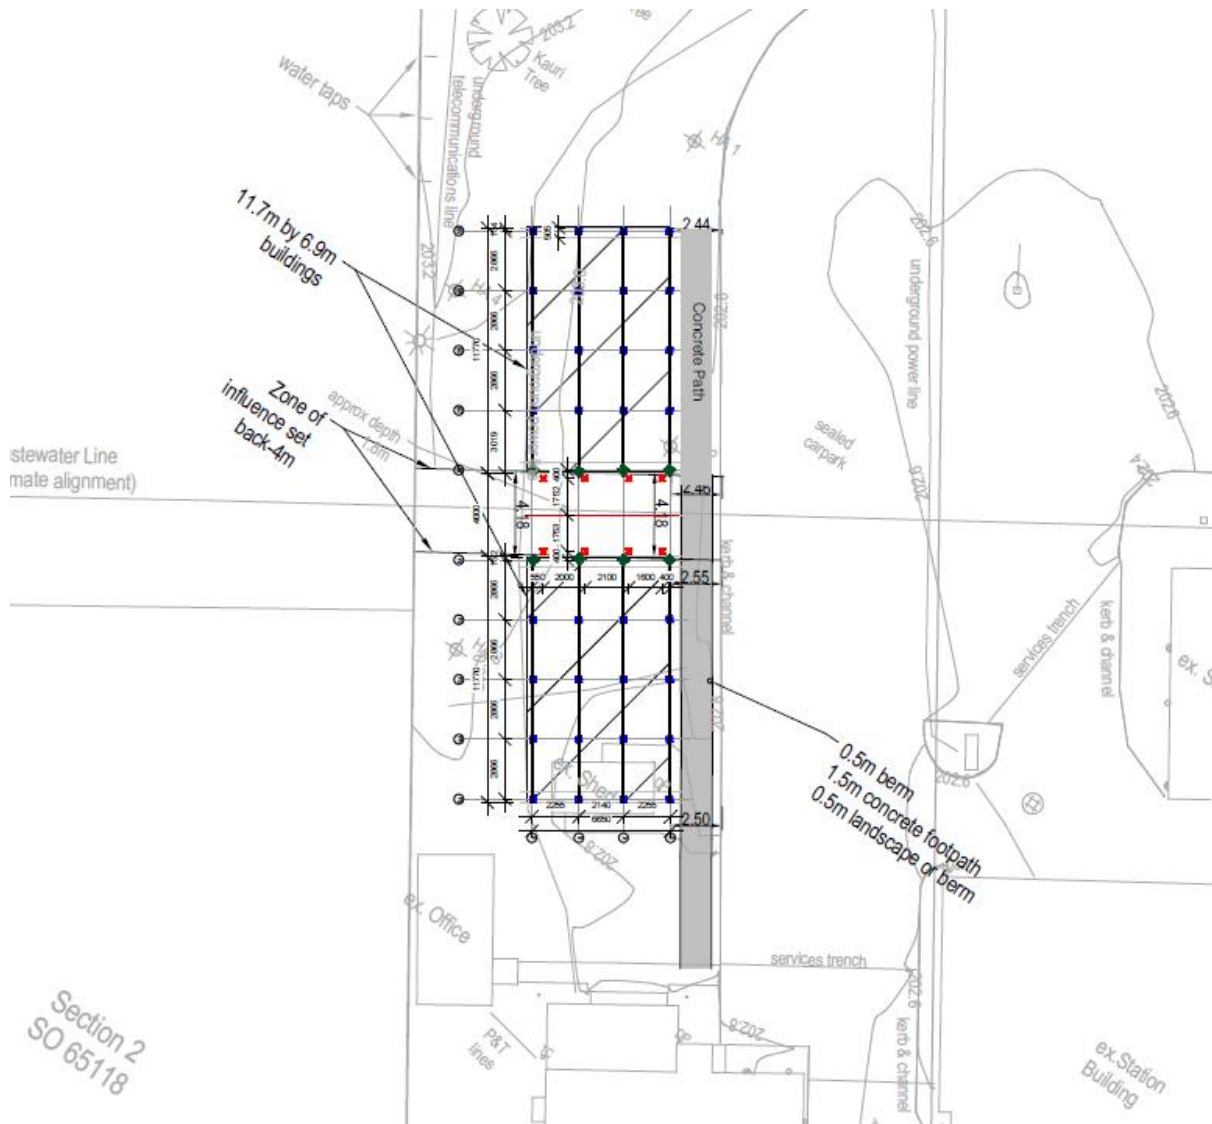

Figure 4: Proposed location plan

It is noted that the placement and envelope of each relocatable building is fixed, however the internal layout and fenestration are still yet to be finalised, hence there are to options of the internal layout within the design package, which the applicant will choose at a later stage. The internal layout and fenestration have no effects on the compliance with standards.

This COC application relates to the placement of two-relocatable buildings only. No other activities are proposed as part of this application. Any earthworks that occur in the construction process will be undertaken in compliance with permitted activity standards under Earthworks Bylaw 2019. Earthworks are limited to the installation of pile footings, underground connections, and the footpath.

The applicant will undertake the activities in accordance with the construction noise standards of the FNDP, as set out in 7.7.5.1.8 Noise.

## 5.0 Relevant Rules and Standards

### 5.1. Permitted Activities

#### 7.7 Commercial Zone

7.7.5.1 Permitted Activities – Commercial Zone		
An activity is a permitted activity in the Commercial Zone if: (a) it complies with the standards for permitted activities set out in Rules 7.7.5.1.1 to 7.7.5.1.12 below; and (b) it complies with the relevant standards for permitted activities set out in Part 3 of the Plan - District Wide Provisions.	<b>P</b>	<p>The placement of two-relocatable buildings complies with Rules 7.7.5.1.1 to 7.7.5.1.12.</p> <p>Refer to <b>section 5.3</b> below.</p> <p>The proposal complies with the relevant standards for permitted activities set out in Part 3 of the Plan - District Wide Provisions:</p> <ul style="list-style-type: none"><li>• Chapter 12 Natural and Physical Resources (N/A);</li><li>• Chapter 13 Subdivision (N/A);</li><li>• Chapter 14 Financial Contributions (N/A);</li><li>• Chapter 15.1 Traffic, Parking and Access (N/A – refer to <b>section 5.3</b>);</li><li>• Chapter 16 Signs and Lighting (N/A); and</li><li>• Chapter 17 Designations and Utility Services (N/A).</li></ul> <p>Note: Chapters 12-17 under Part 3 of the Plan - District Wide Provisions are not applicable to this proposal.</p>

## 5.2. Relevant Standards

### 7.7 Commercial Zone

Commercial Zone Standards		
7.7.5.1.1 Building Height	Complies	Single-storey buildings will comply with the maximum building height of 12m.
7.7.5.1.2 Sunlight	Complies	The proposal buildings do not project beyond the 2m plus 45° recession plane.
7.7.5.1.3 Visual Amenity and Environmental Protection	Complies	N/A – the subject site adjoins a commercial zone; and the full length of the frontage is aligned with buildings and driveway.
7.7.5.1.4 Setback from Boundaries	Complies	The existing building is built up to the road frontage and remains unchanged.
7.7.5.1.5 Noise Mitigation for Residential Activities	Complies	N/A – no residential activity proposed.
7.7.5.1.6 Transportation	Complies	N/A – this rule only applies when establishing a new activity or changing an activity on a site as per Chapter 15.1.6A.2.1.
7.7.5.1.7 Keeping of Animals	Complies	N/A – no keeping of animals proposed.
7.7.5.1.8 Noise	Complies	The construction works and operations of the activity will be undertaken in accordance with the relevant noise standards under 1.7.5.1.8; NZS 6801:1991; and NZS 6803P:1984.
7.7.5.1.10 Roof Pitch	Complies	N/A – not located in Area 5.
7.7.5.1.11 Stormwater	Complies	Collected stormwater runoff will be disposed within an existing consented urban stormwater management plan and discharge consent.
7.7.5.1.12 Helicopter Landing Area	Complies	N/A – no helicopter area is proposed.

## 5.3. Proposed Certificate of Compliance

Section 139 of the Resource Management Act 1991 provides that a council, on request, must issue a COC if the activity can be done lawfully on the site without resource consent and the council fee is paid. Once issued, a COC is deemed a resource consent under s139(10) of the RMA.

The proposal to remove the shed on the site is considered to be a permitted activity pursuant to the relevant rules and activity standards of the FNDP.

The proposal to place two relocatable buildings on site is considered to be a permitted activity under 7.7.5.1.

The key aspects of this assessment and that which relates specifically to this application is the proposed placement of the two-relocatable buildings on site. This is discussed below.

The placement or construction of buildings within the Commercial Zone are controlled by Section 7.7.5 Zone Rules for Commercial Zones under Chapter 7 Urban Environment. Section 7.7.5.1 Permitted Activities specifies the zone standards that must be complied with and relevant standards for permitted activities set out in Part 3 of the Plan - District Wide Provisions. **Section 5.2** outlines the compliance with the standards to be complied with and Chapters 12 to 17 under Part 3 of the Plan – District Wide Provisions are not applicable to this proposal.

The extent of earthworks is limited to the installation of pile footings, underground connections, and the footpath. These earthworks are to be processed under Earthworks Bylaw 2019.

Based on the above assessment, it is concluded that the proposed placement of two-relocatable buildings on site, as outlined in this application, is a permitted activity.

#### 5.4. Overall Activity Status

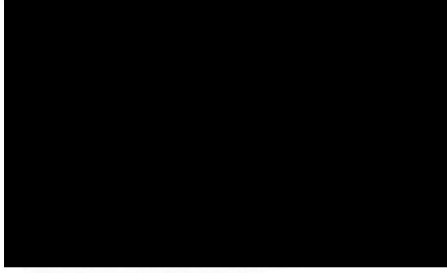

The overall activity status of the works proposed in this COC application is **Permitted**.

### 6.0 Conclusion

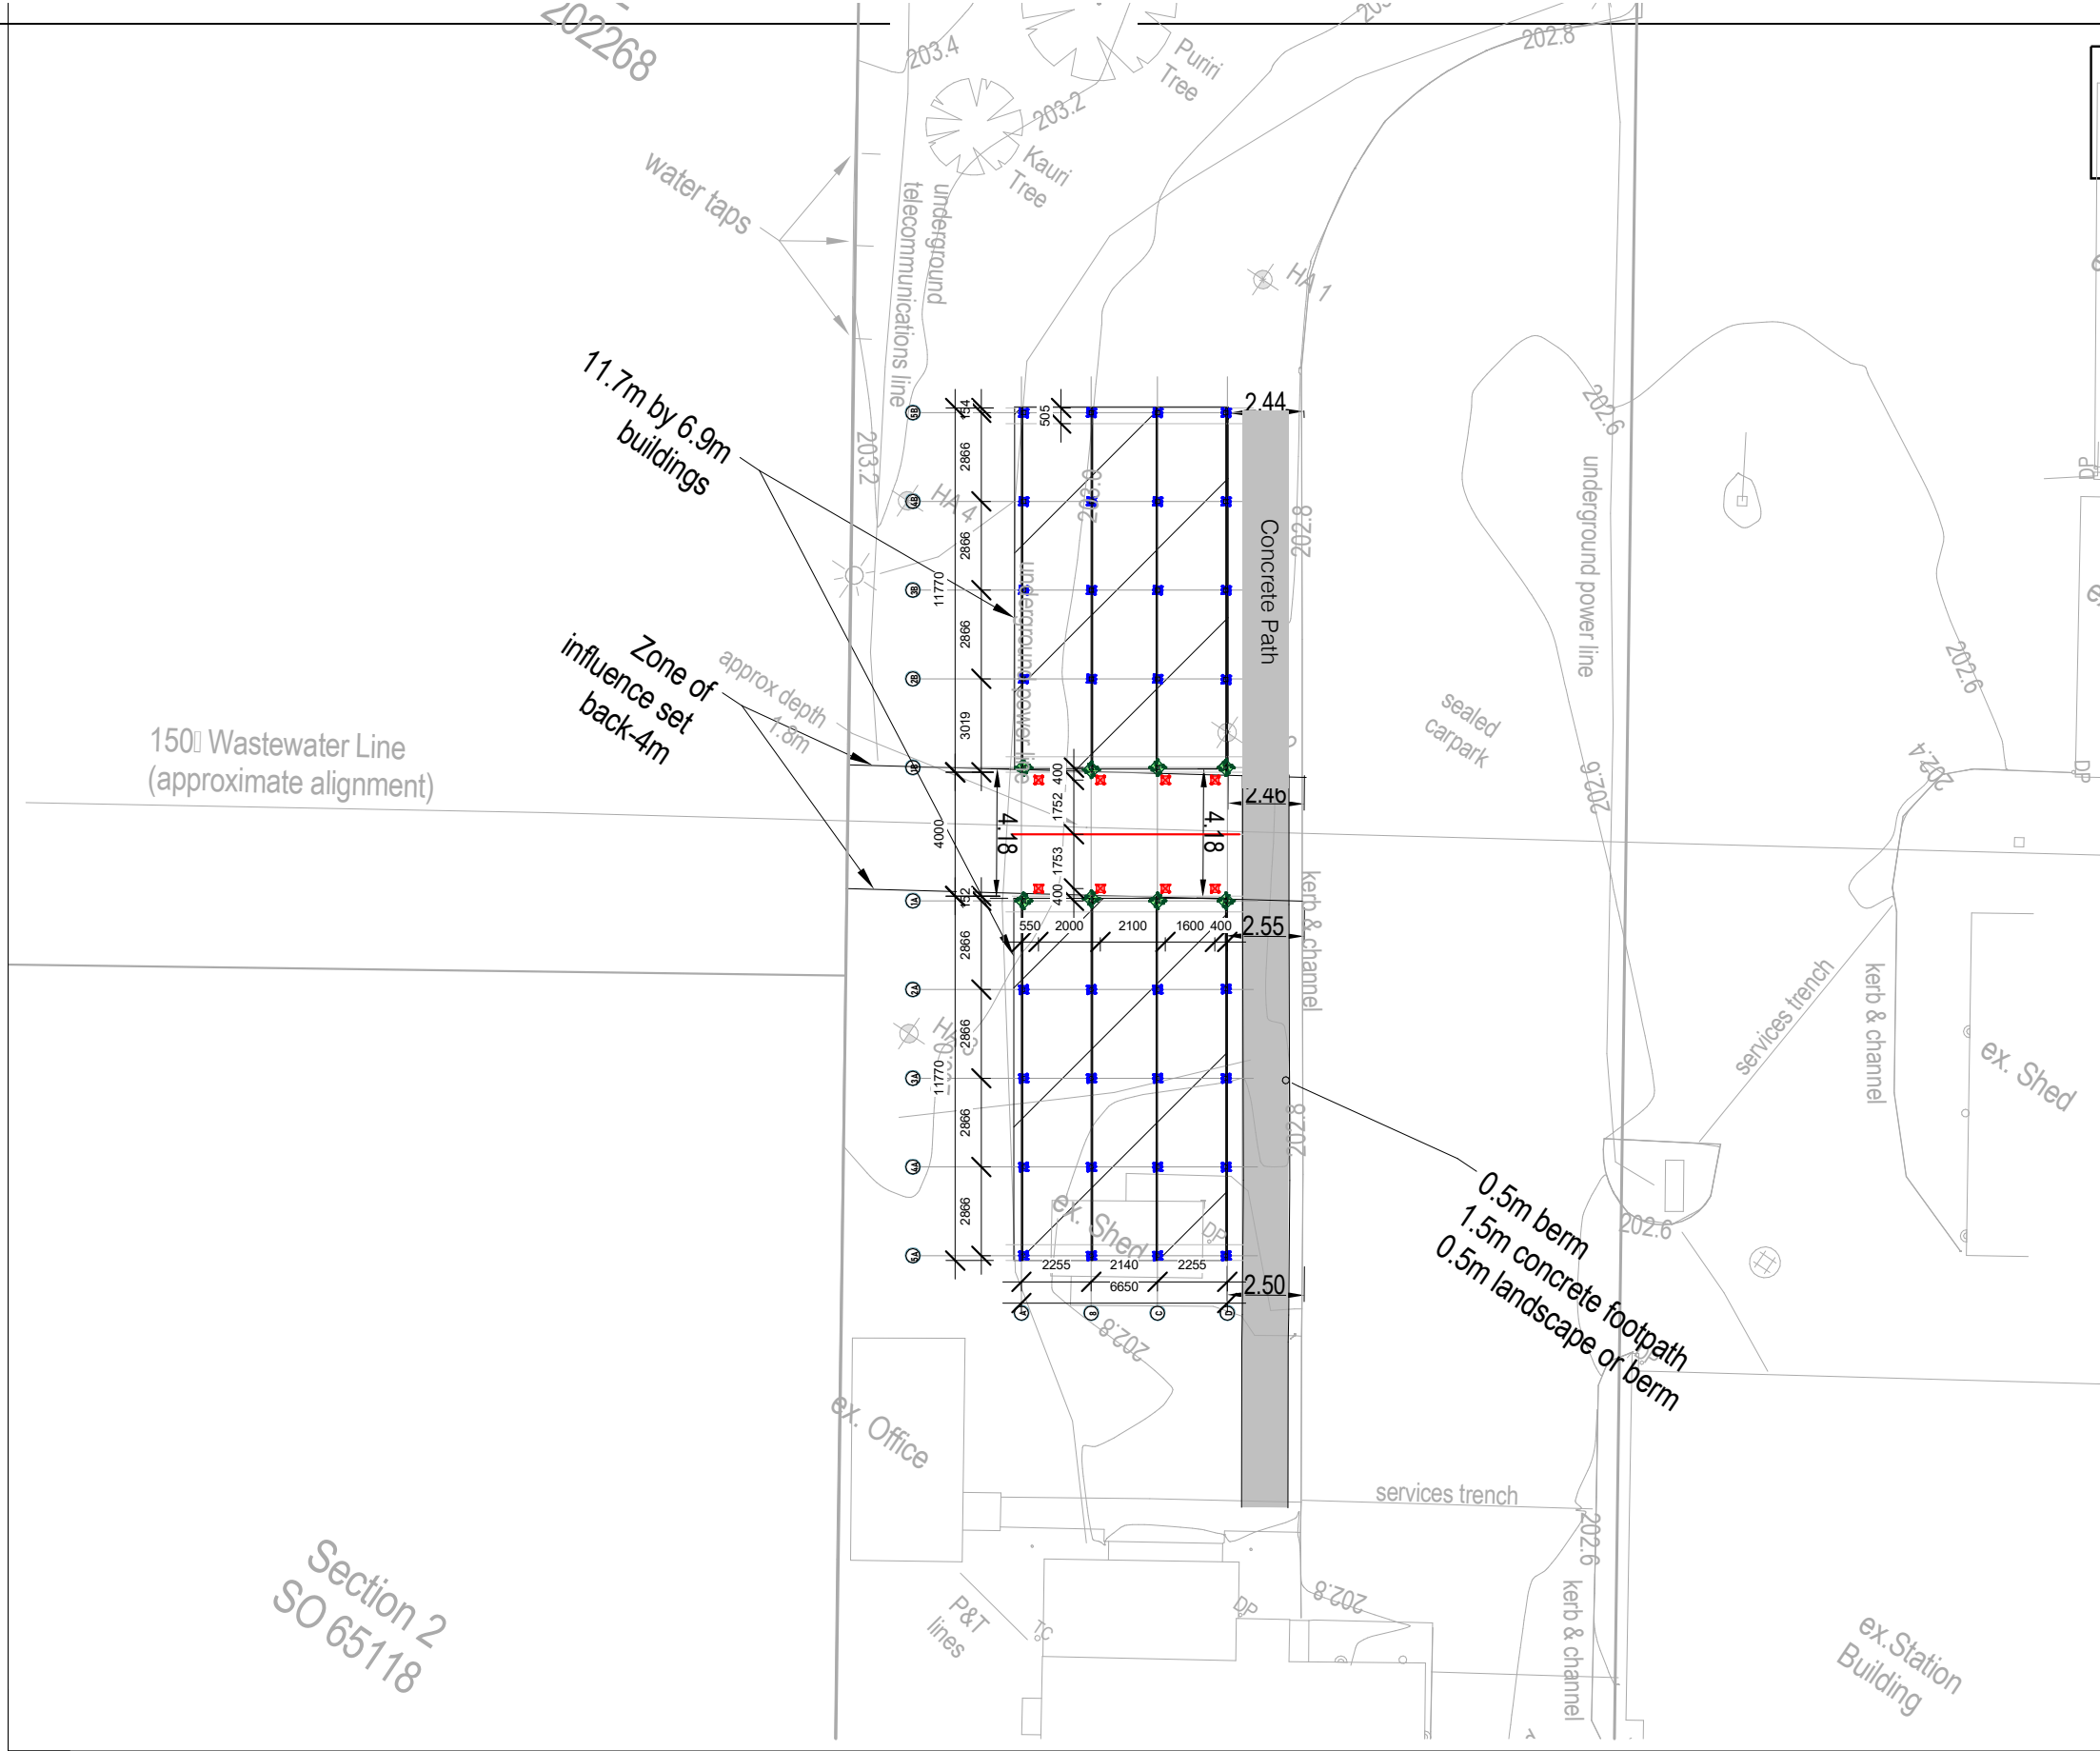

The proposal for the removal of the existing shed and the placement of two-relocatable at 142 Broadway, Kaikohe, is a permitted activity pursuant to the rules and relevant permitted activity standards of the FNDP, specifically those within Chapters 7 Urban Environments and Chapters 12 to under Part 3 of the Plan - District Wide.

Subsequently, it is considered that the issuing of a Certificate of Compliance for the proposed removal of the shed and placement of the two-relocatable buildings is warranted under Section 139 of the Resource Management Act 1991.

#### **State-Owned Enterprises Act 1986**

This notice concerns 4 Layton Road, Whangaparaoa, and Maori claims under the Treaty of Waitangi Act 1975.

The land at 4 Layton Road, Whangaparaoa is described in legal terms as all that parcel of land containing 885 square metres, more or less, being Allotment 590, Parish of Waiwera, described on certificate of title 80D/22.

The current owners of the land, Mervyn Leith Glogoski and Gloria Janice Glogoski have applied to the Waitangi Tribunal to have this notice removed. This has been done under section 8D of the Treaty of Waitangi Act 1975.
