Dear Sir/Madam

Submission on Proposed District Plan on behalf of Summerset Group Holdings Limited

Summerset is one of New Zealand's leading and fastest growing retirement village operators, with more than 6,600 residents living in our village communities. We offer a range of independent living options and care, meaning that as our residents' needs change, we have support and options within the village. Summerset has 35 villages which are either completed or in development, spanning from Whangārei to Dunedin. We employ over 1,800 staff members across our various sites.

Summerset welcomes the opportunity to provide feedback to the Council on its Proposed District Plan.

Summerset wishes to express its support for the submission of the Retirement Villages Association of New Zealand in its entirety. Summerset requests the Council engages constructively with the Retirement Villages Association in relation to Council's Proposed District Plan.

Summerset could not gain advantage in trade competition through this submission. Summerset does wish to be heard in support of its submission. If others are making a similar submission, Summerset would consider presenting a joint case with them at the hearing.

Yours faithfully,
