### **Kelly STRATFORD**

Independent

My principal place of residence is in the Far North District Council area. I am also standing for Bay of Islands-Whangaroa General Ward.

Tena koutou.

Since 2018 I have served the district as a councillor. I've been active on local issues,

advocating for services to meet your needs. I'm passionate about empowering our communities, strategies for dusty roads, recycling, waste reduction and wastewater treatment plant upgrades - these all have a huge impact on the wellbeing of you, your whanau, and the environment.

This term I am standing for Mayor to continue to be your voice, and to lead our new council to be proactive, accessible, and innovative in response to many of the challenges the local government sector needs to navigate with you. I believe my communication skills, work ethic and passion to get the best for everyone can bring us all together. Please make me your number 1 and support me be your voice at Council as the Mayor. A courageous voice that works with you, for the betterment of all.
