

Far North District Council
Bay of Islands-Whangaroa General Ward
Electing 3 Councillors

Jane JOHNSTON

Independent

My principal place of residence is in the Bay of Islands-Whangaroa General Ward area. I am also standing for Bay of Islands-Whangaroa Community Board (Kerikeri Subdivision).

Say NO to status quo. Business as usual, click-the-ticket incumbents drove up costs to Ratepayers and Residents while disregarding strategic planning and infrastructure necessities to provide for our shared future. In doing so they've contributed to outrageous reform seeking to strip councils of core business and local communities of any ability to influence services to OUR properties and the future functionality of our townships.

My mission is to see Council delivering priority core infrastructure and services more efficiently and effectively, while reducing overheads. I'll change how Council works with communities to identify and select priorities to protect what we value and reinforce how we want to live, rather than delivering X for Wellington.

BSc, MPhil with Distinction. I've supported our community via establishing the Bol Community Centre and via work for both Paihia and Kerikeri Ratepayers Associations. I'm very well equipped to interrogate policy analysis, strategic planning and infrastructure projects.
