

## Appendix 2.1 – Officer's Recommended Decisions on Submissions (General Residential Zone)

| Submission Point | Submitter (S) / Further Submitter (FS) | Provision | Position        | Reasons  | Summary of Decision Requested   | Officer recommendation                          | Relevant section of S42A Report                 |
|------------------|--|-----------|-----------------|--|---|---|---|
| S489.041         | Radio New Zealand                      | Notes     | Support in part | Part of the zone is within 1,000m of RNZ's facilities and RNZ seeks the addition of a note | Insert a note as follows: <b>There is a risk that significant tall structures (ie. higher than 40m) within 1,000m of Radio New Zealand's Facilities at Waipapakauri or Ōhaeawai, could present a safety risk from electro magnetic coupling. Developers of such structures should consult with Radio New Zealand at the planning stage to ensure such risks are avoided</b> | <b>Reject</b><br><a href="#">Accept in part</a> | Key issue: Plan wide and urban wide submissions |
