Point 2.1

Section: SCHED2 – Schedule of historic sites, buildings and objects

Sub-section: APPENDIX 3: SCHEDULE OF HISTORIC SITES, BUILDINGS AND OBJECTS

Provision:

The main source of information for historic sites, buildings and objects listed in the Schedule has been the New Zealand Heritage List for the Far North District. In addition some sites have been “rolled over” from the transitional district plan and still others have been nominated by public submission. In addition sites 231 - 234 inclusive have been sourced from the "*Inventory of Important Geological Sites and Landforms in Northland*". They have been included in this Schedule because they are “man-made”

geological features rather than “natural”, and are of outstanding historic significance.

Four additional sites (246-249) have been included in the Schedule, as they are now on the New Zealand Heritage List for the Far North District.
