My principal place of residence is in the Bay of Islands-Whangaroa General Ward area.

People - Places - Progress

I am connected to our community. I was born here, my children attend school in Kerikeri, our family business is based in the Far North. This is my home and our future.

I bring integrity, boldness, and a solid work ethic to everything I take on. With significant governance experience, combined with a continuous desire to volunteer my energy, I am committed to seeing the Far North thrive, for future generations.

Over the last 3 years elected to Council, I have championed the Far North to position itself to begin planning for tomorrow, rather than responding to yesterday, and I am driven to see that deliver sustainable, on the ground results for you, your children, your grandchildren. Our communities deserve representation and leadership that will be engaged and approachable, will communicate clearly, and will deliver results. I will continue to represent you, and our District, with 110%.
