**Trinity EDWARDS**

My principal place of residence is in the Kaikohe-Hokianga Community Board (Kaikohe Subdivision) area.

I am passionate about creating better outcomes for our community. I have worked with individuals and organisations contributing towards creating a better future for those I can. The background of my work is in the health and wellbeing industry and working alongside youth. I am a small business owner based in Kaikohe. Through my business I have delivered small community projects and health and wellbeing initiatives including being a Community Sports Co-ordinator for the Northland Paraplegic Association. I have also recently worked as a Physical Education Officer for the New Zealand Police. I currently work as a Life Coach with youth in Kaikohe. I look forward to supporting Kaikohe-Hokianga community projects.
