MINISTER OF POLICE - FAR NORTH DISTRICT COUNCIL DESIGNATIONS

We act for Police. We refer to your letter dated 11 January 2022 regarding Police's designations in the Far North District Council District Plan. We have now completed a review of the designations and record our comments in the table enclosed as **Appendix 1**. We have also added a street address and Record of Title Reference for each designation as the legal descriptions are often incorrect and can be confusing where the designation relates to more than one parcel of land.

As part of our review, we inspected the District Plan maps to compare the designation overlays to the legal boundaries of Police's properties. The designation for the Kaikohe Police Station (NZP46) will need to be modified to include both parcels of land. We enclose as **Appendix 2** an image of the Kaikohe Police Station Designation. Area A is the existing designation. Area B is also part of the Police Station and should be covered by the designation. The two parcels share the same legal description but are covered by two separate Gazette Notices:

- Area A – NZGZ 1973 p 2757
- Area B – NZGZ 1993 p 1031

Please contact us if you have any additional queries about the designations for Police.

Yours faithfully
