

Far North District Council
Bay of Islands-Whangaroa General Ward
Electing 3 Councillors

Annette MAIN

My principal place of residence is in the Bay of Islands-Whangaroa General Ward area.

Change can be exciting, but only when no one is left behind. Let's get that right this time. As government reforms loom, strong governance and balanced decision-making skills are required.

The changes ahead, mean we need leaders who understand how local councils work, what government expects, and can achieve what works best for us.

There is much to be proud of here, our environment and climate, and especially our people and their ability to see, and develop opportunities which benefit our whanau.

With eighteen years of previous experience, six years as Mayor and twelve years as a Regional Councillor, I have proved I can face the challenges, and love the successes. I have led a council to make brave decisions, investing in necessary infrastructure improvements, and looking after our assets wisely for future generations.

My knowledge, skills and proven ability to get things done, will be invaluable on our council.
