

Far North District Council
Bay of Islands-Whangaroa General Ward
Electing 3 Councillors

Richard ASTON

My principal place of residence is in the Bay of Islands-Whangaroa General Ward area.

I am standing for the Far North District Council in the spirit of service to the people of the Far North. My core values:

Caring respect for the natural world, the land, forests, rivers and the sea around us. We can all be guardians of our natural world.

Caring respect for the human world, the wellbeing of the people, supporting our connections to each other and to place. I believe each of us is doing the best we can and together we flourish, and occasionally surprise ourselves. We all deserve to feel happy, safe and proud to live where we live, alongside those we live with.

I think our actions should be informed by forward thinking and should stand the test of time. Will our great-grandchildren be proud of us, will they be grateful for the world we left to them? Rules and regulations must serve values and ideals
