**Sheryl Fiona BAINBRIDGE**

My principal place of residence is in the Te Hiku Community Board (Doubtless Bay Subdivision) area.

Under the Local Government Act Community Boards are required to represent and act as advocates for their community and to have an overview of the Local Authority's activities.

If re-elected I will use my knowledge, experience, commitment and tenacity towards the betterment of the wonderful Doubtless Bay community that we are privileged to live in. Issues include improved pedestrian safety and better access to our maritime environment and having an overview of Council activities which include roading, drainage, sewerage and water.
