

Far North District Council  
Te Hiku General Ward  
Electing 2 Councillors

---

---

**Dave COLLARD**

Independent

My principal place of residence is in the Te Hiku General Ward area.

David John Collard - married to Lee with 5 children and 13 grandchildren. I retired from my business in 2013. For the past 12 years, I have been co-owner and operator of the "Snapper

Bonanza on 90 Mile Beach". It has been a sold-out event for the past 5 years, drawing people from all over NZ, Australia and even a few from further around the globe.

I have served two terms as your councillor.

Local Government is going through massive change in this on-Line World that we live in. I want to make sure that all of us are able to stay informed of what Council is doing. This means Council must communicate with everyone through all methods of connection. Be it online, radio, newspaper, snail mail, public meetings etc.

Infrastructure, includes roads which need attention more than ever - I am committed to this.

Vote Collard.
