Hi AK

Thanks so much for your help and concise organisation of this process. Our submission number is FS99.

We support the planner's recommendation that the property at 59F Riddell Road is removed from the Horticulture Precinct and rezoned Rural Production Zone as it has historically been. Please can you pass this on to the panel and thank them for their time considering the evidence provided by soil expert Bob Cathcart and my 32 years experience farming this property and area.

Please let me know if you require anything further from us.

Kind regards
Laurie and Helen Voigt
