Our Property – 481A Kaitaia Awaroa Road

Property has been kept as Rural Production and is not a production unit/site and should not be zoned as such.

Some sites on the other side of Okahu Road that have been changed to Rural Residential are in fact larger than our site, so it does not make sense.

Several sites surrounding ours are much smaller than ours and are still zoned as Rural Production when clearly they are not.

Some of these smaller sites need to be changed to Rural Residential also.

It seems crazy this particular site is not given rural residential due to the lack of housing available in this area. Infrastructure in this area is also self-sufficient with own sewerage and water tank systems.
