**Alan Philip HESSELL**

My principal place of residence is in the Kaikohe-Hokianga Community Board (South Hokianga Subdivision) area.

Tena koutou katoa, I have been a long term resident, ratepayer of the South Hokianga area. I have expertise in Enviromental and Hapu

Management issues since 1982. I have interest in progress and developement within our district, I have a passion for fairness and equity, that money is dispersed fairly across our district, also that ratepayers concerns are heard and acted upon. I would like maori and european within our community to intergrate and work together in harmony. Our community deserves to be heard, and by a united effort by the board members move forward and improve our district to the standard that you deserve as ratepayers.

During my time within the board I have achieved many attributes within our district collaboratively with FNDC over the past three years and have a grasp of our communities needs and the importance of improving our enviroment for future generations
