

Form 33
Notice of person's wish to be party to proceedings
Section 274, Resource Management Act 1991

To the Registrar
Environment Court Auckland

We, **Quiet Sky Kerikeri** wish to be a party to the following proceedings:
ENV-2026-AKL-000167 Vision Kerikeri & other community groups - Appeals on decisions
on the Proposed Far North District Plan.

We are a residents' group that has an interest in the proceedings that is greater than the
interest that the general public has.

We are residents and landowners in the Kerikeri community. The proposed rules regarding
private helipads directly affect our local amenity values, peace, rural-residential lifestyle, and
the unique river ecosystem and wildlife habitats we actively protect.

We are not a trade competitor for the purposes of section 308C or 308CA of the Resource
Management Act 1991.

We are interested in the following part of the proceedings: District Plan provisions relating to
noise and landing sites for private helicopters, excluding emergency helicopters.

We are interested in the following issues: The need to take account of a full range of adverse
effects relating to landing sites for private helicopters in areas that affect residents, including
noise/vibration, community wellbeing, public safety, ecological values, legally established
activities and other issues.

We support the relief sought by the Appellant including a focus on alternative solutions
and addressing deficiencies in the provisions of the Proposed District Plan.

We agree to participate in mediation or other alternative dispute resolution of the
proceedings.
