Waka Kotahi Draft Further Submissions on Far North District Plan

The specific submissions(s) on the Proposed Far North District Plan that this further submission relates to:							
Plan Section	Provision	Name of original submitter	Address of original submitter	Original submitter number original submission on point number	Support or oppose	Reasons for supporting or opposing	I seek that the whole (or part (describe part) of the submission be allowed (or disallowed)
General	General/ Process	Our Kerikeri Community Charitable Trust	PO Box 501, Kerikeri 0245 e- annika@wwc.co.nz	S271.001	Support	Waka Kotahi supports the development of a spatial and strategic plan that supports the provision of active transport modes and public transport and requests to be involved in the drafting.	Allow in whole FS36.001
General	General/ Process	Jane E Johnston	19 Yorke Road, Haruru Falls 0204 agentjane99@gmail.com	S560.004	Neutral	Waka Kotahi supports the development of high density residential zones as this supports the provision of walking/cycling and public transport in centres. However, Waka Kotahi recognises that the location and timing of this development requires careful consideration of adverse effects and wider infrastructure provision. Therefore, Waka Kotahi request that any consideration of higher density is undertaken as part of a wider planning initiative. Waka Kotahi seeks to be involved in this process.	Allow in part once adequate analysis of options, alternatives, effects and infrastructure provision is undertaken. FS36.002
General	General/ Process	Jane E Johnston	19 Yorke Road, Haruru Falls 0204 agentjane99@gmail.com	S560.007	Oppose	Waka Kotahi opposes widespread development of land until an Integrated Transport Assessment (ITA) has been undertaken to ensure the effects of the effectiveness, efficiency and safety of the land transport system will be assessed and avoided remedied or mitigated.	Disallow until further information can be obtained as to the potential effects and mitigation measures on the transport system. FS36.003
General	General / Plan Content / Miscellaneous	Kapiro Residents Association	Kapiro Road RD 1 Kerikeri 0294 kapiroresdients@protonmail.com	S427.016	Support	Waka Kotahi supports this submission as cumulative ribbon development has the potential to adversely affect the effectiveness, efficiency and safety of the land transport system.
