(Include details and reasons for your position)

It is understood there are strong higher order provisions and intent within the Resource Management Act 1991 to appropriately manage natural hazards, however there are numerous hazards, and numerous hazard zones which apply to the land under consideration.

The natural hazard zones under consideration are the Coastal Flood Zone 3 (1:100 Year + Rapid Sea Level Rise), Zone 2 (1:100 Year), and Zone 1 (1:50 Year).

The PDP nor any of its supporting documents refer to Section 10 or Section 20 the RMA (as they relate to existing use rights).

Section 10(1) of the RMA addresses existing use rights for land use. Under this section, land may be used in a manner that contravenes a rule in a district plan or proposed district plan if both:

- the use was lawfully established before the rule became operative or the proposed plan was notified
- the effects of the use are the same or similar in character, intensity and scale.

Section 10 of the RMA does not apply to activities that have been discontinued for a continuous period of more than 12 months after the new rule became operative or the proposed plan was notified.

Existing use rights under section 10 do not apply to:

- reconstruction, alteration of, or extension to, any building that increases the degree to which the building fails to comply with any rule in a plan or proposed plan
- use of land controlled for the purposes specified in s30(1)(c)
- restrictions of use of the coastal marine area under s12
- restrictions on uses of lake and river beds under s13.

On the basis of the above, it is contended that a provision should be provided within the PDP which enables, as a permitted activity, the ability for people to exercise their existing use rights, where rebuilding a house 'like for like' and which result in effects which are the same or similar in character, intensity, and scale.

**I seek the following decision from the Council:**

*(Give precise details. If seeking amendments, how would you like to see the provision amended?)*

Add additional provisions which allow residents within the district to develop a house / building / activity in accordance with Section 10 of the RMA 1991 despite the hazard overlays which may apply to their properties.
