Note: if you are a person who could gain advantage in trade competition through the submission, your right to make a submission may be limited by clause 6(4) of Part 1 of Schedule 1 of the Resource Management Act 1991

The specific provisions of the Plan that my submission relates to are:

- | | |
|-----------------|--|
| RPROZ-P5 | Avoid land use that: <ol style="list-style-type: none"> a. is incompatible with the purpose, character and amenity of the Rural Production zone |
|-----------------|--|

My submission is:

The FNDC subdivision of this 2 ha allotment on the 10 November 2004 was on the basis that it was to be zoned Rural Residential.

The FNDC PDP now proposes that this property is zoned Rural Production.

My submission is that this use of this land which is adjacent to a residential area is not compatible with the purpose, character and amenity of a Rural Production zone

I seek the following decision from the Council:

That the zoning for 2B Motutara Drive is shown as Rural Residential

IN THE MATTER OF

The Resource Management Act 1991

AND

IN THE MATTER OF

an application for Resource Consent
under the aforesaid Act by

GILLIAN MICHELLE SAUNDERS

FILE NUMBER RC 2050309

DECISION

That pursuant to Sections 104B, and 220 of the Resource Management Act 1991, the Council grants its consent to Gillian Michelle Saunders to subdivide a property at Rangiputa Road, Karikari Peninsula, being more particularly described as Lot 1 DP 178515 contained in CT 102D/847 (North Auckland Registry) to create a 'once off' subdivision of two additional rural residential allotments of 2 hectares each and the balance area of 60 hectares, subject to the following conditions:

- (1) The subdivision shall be carried out in accordance with the approved plan of subdivision prepared by *Von Sturmers*, referenced 10828/1661 dated 20 September 2004, and attached to this consent with the Council's "Approved Plan" stamp affixed to it (5 November 2004).
- (2) That prior to the Council's approval of the survey plan under Section 223 of the Act:
 - (a) Easements 'A' to 'D' as shown on the subdivision plan prepared by *Von Sturmers*, referenced 10828/1661 dated 20 September 2004 shall be shown on the face of the survey plan in a Memorandum of Easements and shall be duly granted or reserved.
 - (b) Those areas of Lots 1 and 2 that are within 150m of the south-eastern boundary of Lot 1 DP 72867 shall be shown as areas 'Y' and 'Z' respectively on the survey plan (subject to building line restrictions).
- (3) That before a certificate is issued pursuant to Section 224 of the Act, the consent holder shall:
 - (a) Provide and complete the private way indicated on the subdivision plan, formed

(and sealed for the first six (6) metres), surfaced and provided with adequate stormwater control, to the standard specified in Rule 14.1.6.1.2, and the Table forming Appendix 7B, of the Proposed District Plan (July 2003), to the satisfaction of the Council. Prior approval by the Council of engineering drawings of such works, if deemed necessary, is required before any construction begins.

- (b) Provide documentation that the service providers of electric power, and telecommunications to each proposed allotment are satisfied with the arrangements made for the provision of these services.
-
- (c) Secure the conditions below by way of Consent Notice issued under Section 221 of the Act, to be registered against that titles of the affected allotments. The cost of preparing, checking, executing and registering the Notice shall be met by the Applicants.
 - (i) That no habitable buildings shall be located on Lots 1 and 2 within areas 'Y' or 'Z' of the survey plan.
 - (ii) That the existing vegetation within Lots 1 and 2 shall be retained and maintained on an ongoing basis.
 - (iii) That at the time of lodging a building consent application for any dwelling on Lots 1 and 2, the following shall be provided to the Council for approval:
 - 1. A specific design for stormwater management and effluent disposal prepared by a suitably qualified Chartered Professional Engineer, or another approved IQP (e.g. a "TP 58 writer" for effluent disposal); and
 - 2. A specific design for the foundations of any dwelling prepared by a Chartered Professional Engineer (or MIPENZ) with geotechnical expertise.
 - (iv) Any earthworks over 50m³ within Lots 1 and 2 shall be designed and supervised by a suitably qualified Chartered Professional Engineer.

In consideration of the application under Section 104 of the Act, the following reasons are given for this decision:

- (A) Written approval from adjoining owners and interested parties to the proposed activity has not been sought, as the Council is of the opinion that no one will be adversely affected by the grant of consent to the proposal.
- (B) There are no apparent conflicts with the purpose of the Act, nor with the matters or principles noted in Sections 6, 7 and 8 of the Act, nor with the objectives and policies of the two relevant District Plans as they may apply to the specific circumstances of this proposal.

- (C) The imposed conditions will ensure that the grant of consent will be in conformance with the relevant provisions of the applicable District Plans; and those conditions will adequately avoid, or mitigate to a minor impact level, the expected adverse effects on the environment.

STATUTORY INFORMATION

The following matters are noted as being relevant to the land, and possibly requiring additional action for statutory and/or code compliance. The applicant and any prospective purchasers should be aware of these matters; and hence the information will be placed on the property file and will be cited in any related Project or Land Information Memorandum that may be issued by the Council.

- (1) Pursuant to Section 102 of the Local Government Act 2002, the Far North District Council has prepared and adopted a Development Contributions Policy. In accordance with this policy, the activity to which this consent relates is subject to Development Contributions. You will be advised of the assessment of the Development Contributions payable under separate cover in the near future.

It is important to note that the Development Contributions must be paid prior to commencement of the work or activity to which this consent relates or, in the case of a subdivision, prior to the issue of a Section 224(c) Certificate.

Further information regarding the Council's Development Contributions Policy may be obtained from the Long Term Council Community Plan (LTCCP) or the Council's website at www.fndc.govt.nz.

- (2) If during the course of undertaking the site works there is a discovery made of any archaeological find, or suspected find, the work on that portion of the site should cease immediately and the NZ Historic Places Trust and a representative of the relevant local iwi contacted. Comply in all respects with the requirements and provisions of the Historic Places Act 1993.
- (3) The registered proprietor of the land for the time being is advised that any earthworks (excavation or filling) which alters existing land contours and is undertaken within 20 metres of any road or other property boundary requires permission for control of earthworks, pursuant to Chapter 22 of the Far North District Council General Bylaws, November 1990.
