Electing 2 Members

Lane AYR

My principal place of residence is in the Bay of Islands-Whangaroa Community Board (Kerikeri Subdivision) area.

My family and I moved to Kerikeri almost 26 years ago; it has been a community that has provided me with numerous opportunities to contribute to it (e.g. committee positions with several clubs and two terms on the KKHS Board of Trustees).

I have owned and operated businesses in New Zealand and overseas; my experience includes both management and governance.

I'm finishing my second term on the BOIW Community Board; being on the Board has allowed me to help my community cope with some of the changes brought about by growth. I strongly believe that current residents and ratepayers should not be required to fund future development.

I've recently had the privilege of chairing the Kerikeri Domain Working Group, a group of elected members and senior staff that has (almost) completed Stage One of the Domain Plan. Seeing this project to completion is a factor in re-standing for the Board.
