

Far North District Council
Kaikohe-Hokianga Community Board
(South Hokianga Subdivision)
Electing 2 Members

Jessie MCVEAGH

My principal place of residence is in the Kaikohe-Hokianga Community Board (South Hokianga Subdivision) area.

If I am elected as a Community Board representative I will work hard to improve the outcomes for the people and the environment of

Hokianga.

I am from Hokianga and since I returned home around 15 years ago I have been involved in many Kaupapa to care for the people and environment here. Some of the local issues that I have been involved in are improving access to quality housing for Hokianga people, road safety, preventing human waste from continuing to pollute the harbour, improving access to educational opportunities, and job creation and water quality improvement through riparian planting.

I work as the Manutaki/Project Manager of the Ara Rongoā wellness walkway at Hauora Hokianga, growing kai for hospital patients, rongoā resources, and beautifying and restoring the grounds. I am a member of the Hokianga health Enterprise Trust and a fire fighter in the Rawene Volunteer Fire Brigade.
